Challenge #8: Wants and Needs!	pg. 15
Challenge #9: Scavenger Hunt!	pg. 16
Challenge #10: Community Services!	pg. 17

Challenge Tracker

Directions: Each time you finish a challenge, put a check on your tracker. Keep going until you have all ten challenges complete!

Welcome to the Reef! I'm Caleb the Crab, and this is my friend Sasha the Squid!

**The Reef is our community!
A community is a group of
people living or working
together in the same area.***

People in communities might go to the same schools, shop in the same stores, and do the same things.* We're challenging you to help us learn more about our community! We'll learn about:

- Making Choices
 - Goods and Services
 - Needs and Wants
 - How to save money, and we're even getting our first job!
- *According to study.com

Challenge #4

Challenge
#7

Challenge
#5

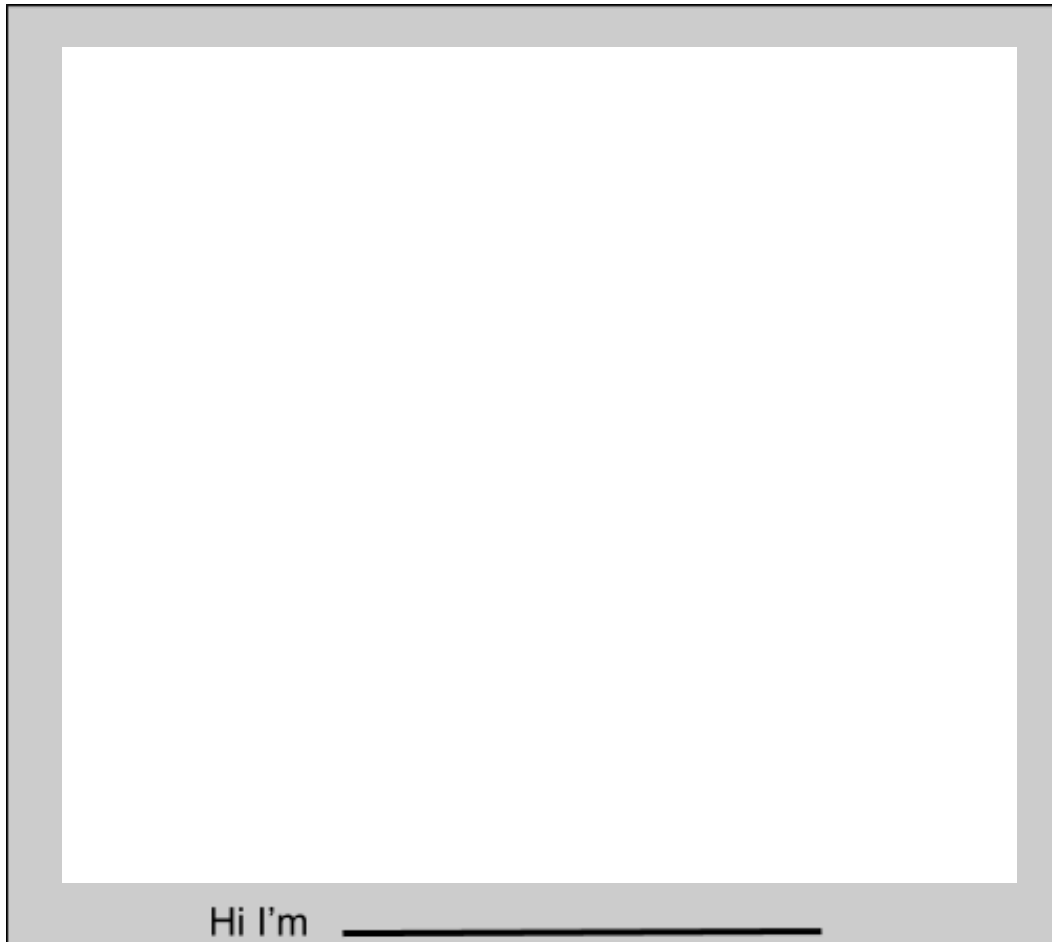

You're almost there!
Keep going!

Challenge #1: All About Me!

Directions:

Draw a picture of yourself. Write your name under your picture, and list 3 skills you do well.

Hi I'm _____

3 skills I do well are...

1 _____

2 _____

3 _____

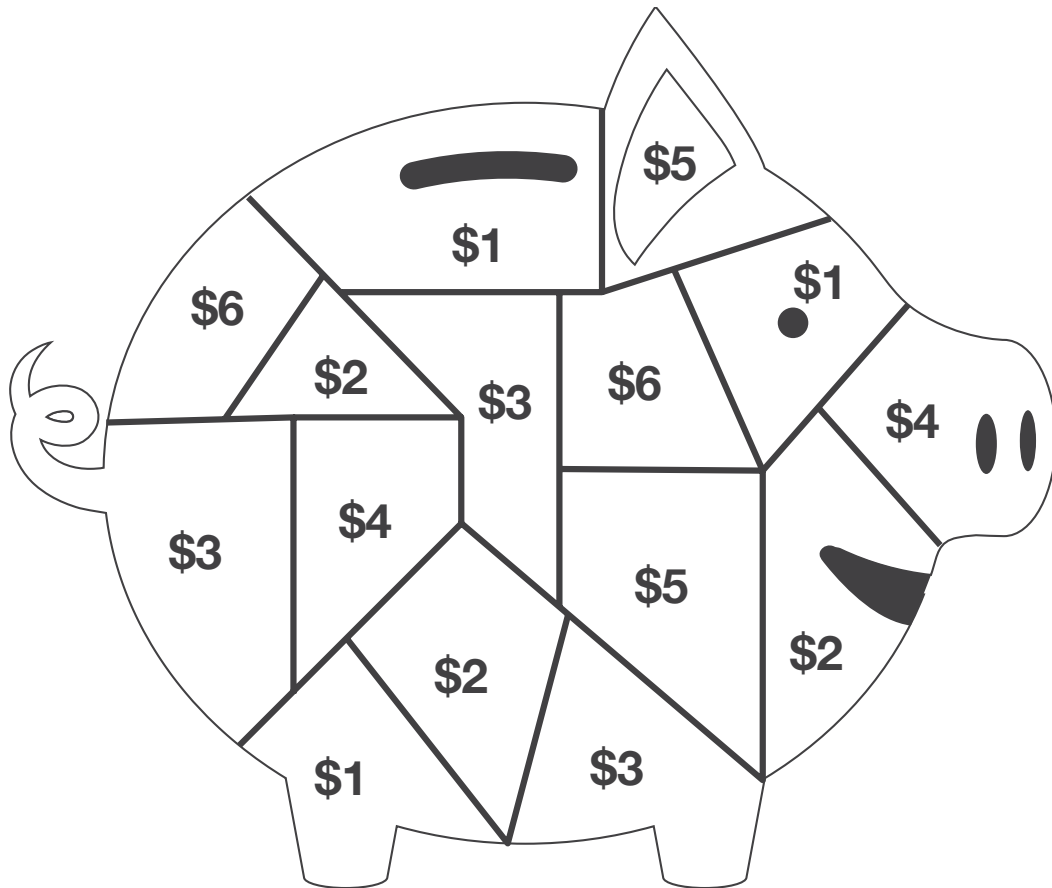

Challenge: Share 3 things you do well!

Challenge #2: Save With the Pig!

Directions:

Roll a die, and count the dots. Find that number on the pig. Color the section on the pig that has that number. Do this 10 times.

Note: If you do not have dice, write each number, 1-6, and put it in a hat to pull from. Don't forget to put the number back in the hat to pick again!

Add up all your colored sections. How much money did you save?

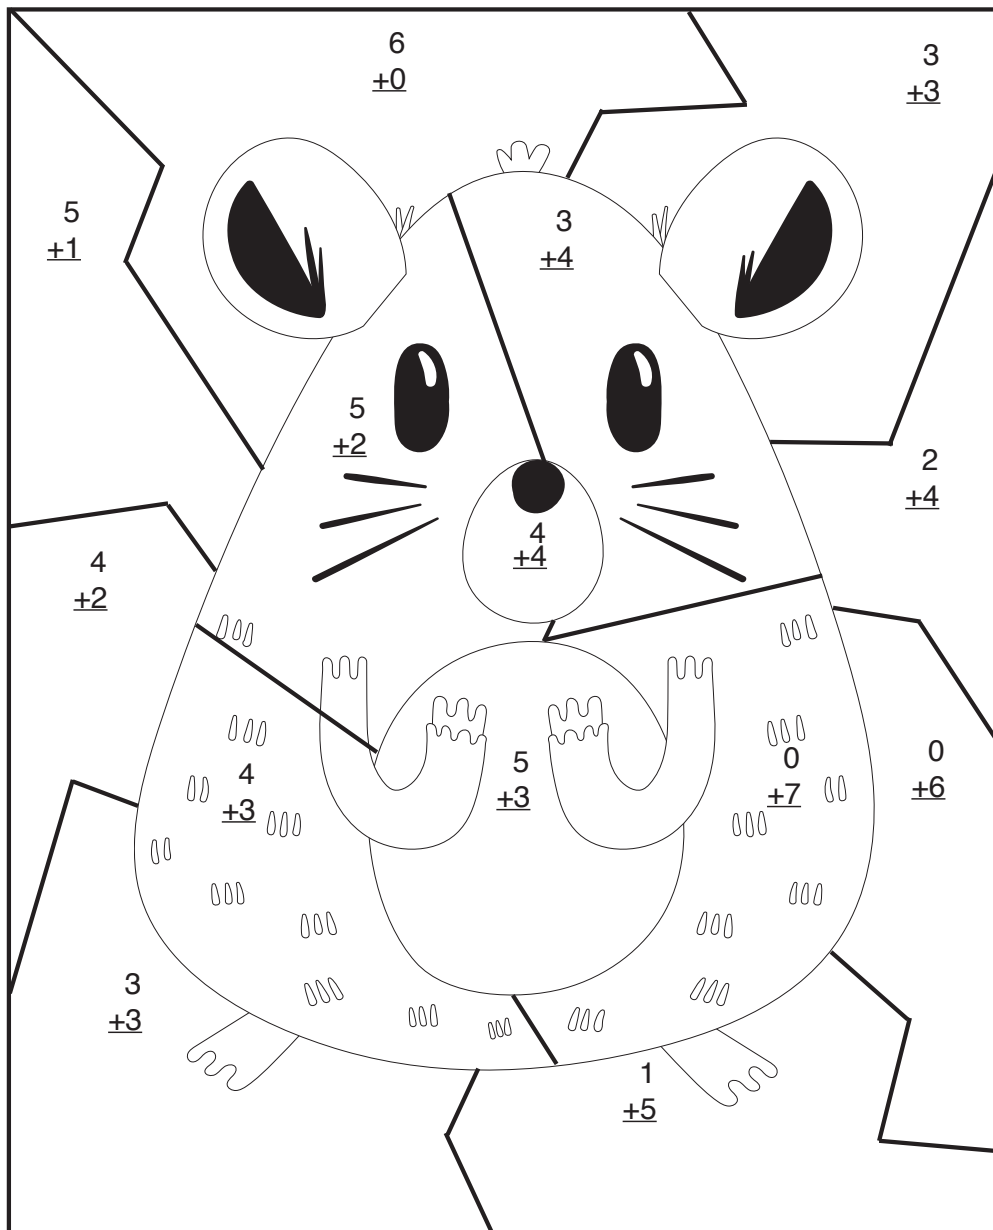

Challenge: Save money in your piggy bank!

Challenge #3: Watch a Pet!

Directions:

Answer the math problems on the page. Color in the picture using the color key.

Color Key		
6	7	8
 blue	 brown	 yellow

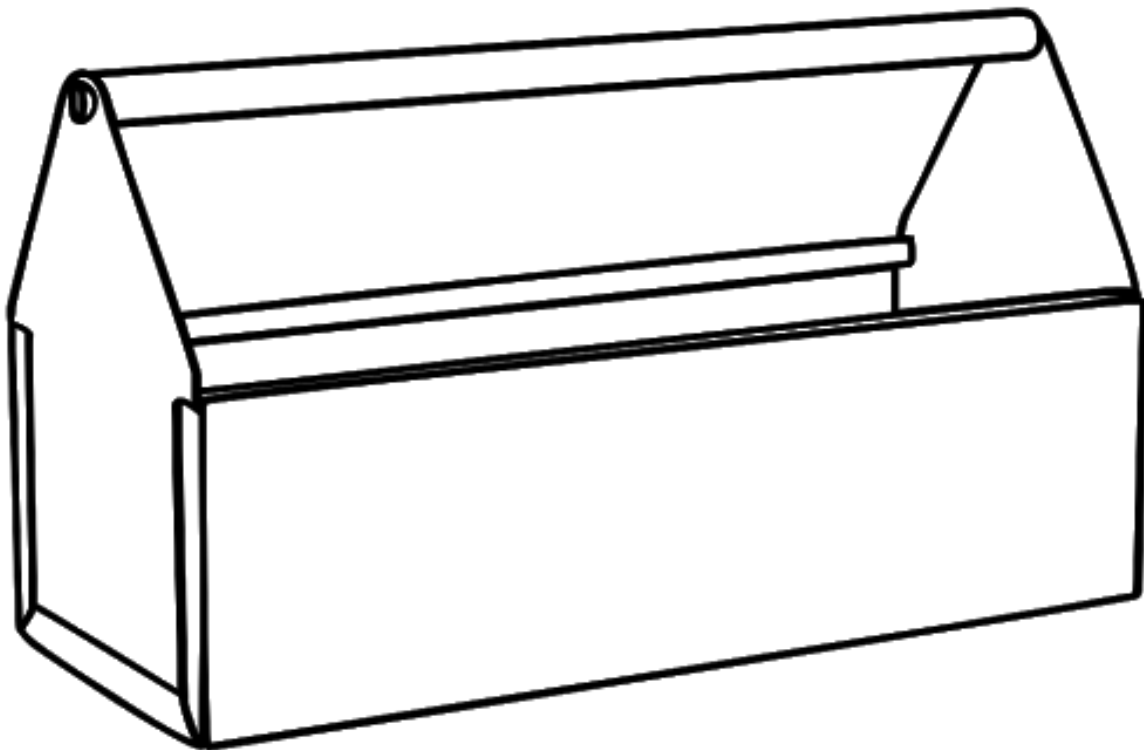

Challenge: Watch a pet for the day!

Challenge #4: Tools for the Job!

Directions:

Lots of jobs need different tools! An artist needs a paintbrush, a chef needs a spatula, and a video game designer needs a computer! Ask an adult what type of tools they need to do their job! Draw the tools in the toolbox.

 **Challenge: Ask an adult about their job tools!**

Challenge #5: Get a Job!

Directions:

Do a chore to help out at home. Now complete the maze! Try to hit every chore in the home as you make your way through!

How many items did you find? _____

Challenge: Do a job around your house!

Challenge #6: Your Future Job!

Directions:

Do you want to be an astronaut or a doctor? Draw what you want to be when you grow up! Don't forget to write the job you pick on the line below!

When I grow up I will be a:

 **Challenge: Draw a picture of your future job!**

Challenge #7: Choices, Choices!

Directions:

Choice means to pick one thing over another. Write 3 choices you made today.

1

2

3

Challenge: Keep track of 3 choices you made today!

Challenge #8: Wants and Needs!

Directions:

Collect 3 wants and 3 needs from your house. In the chart below, draw the wants and needs you collected.

WANTS Something people would like to have	NEEDS Something people must have to live

Challenge: Name 3 wants and 3 needs in your house!

Challenge #9: Scavenger Hunt!

Directions:

Goods are things that can be bought or sold. Hunt for 3 goods in your house! Draw the 3 goods you find in the box below.

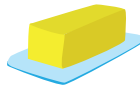

Circle all the goods a pet store might sell.

fish bowl

pet food

butter

cat litter

doghouse

bird cage

Circle all the goods a toy store might sell.

blocks

hammer

toy car

kite

baby rattle

box of crayons

Draw your 3 goods here:

Challenge: Go on a hunt for 3 goods in your house!

Challenge #10 Community Services!

Directions:

Services are work done for others. List 3 services in your community!

1

2

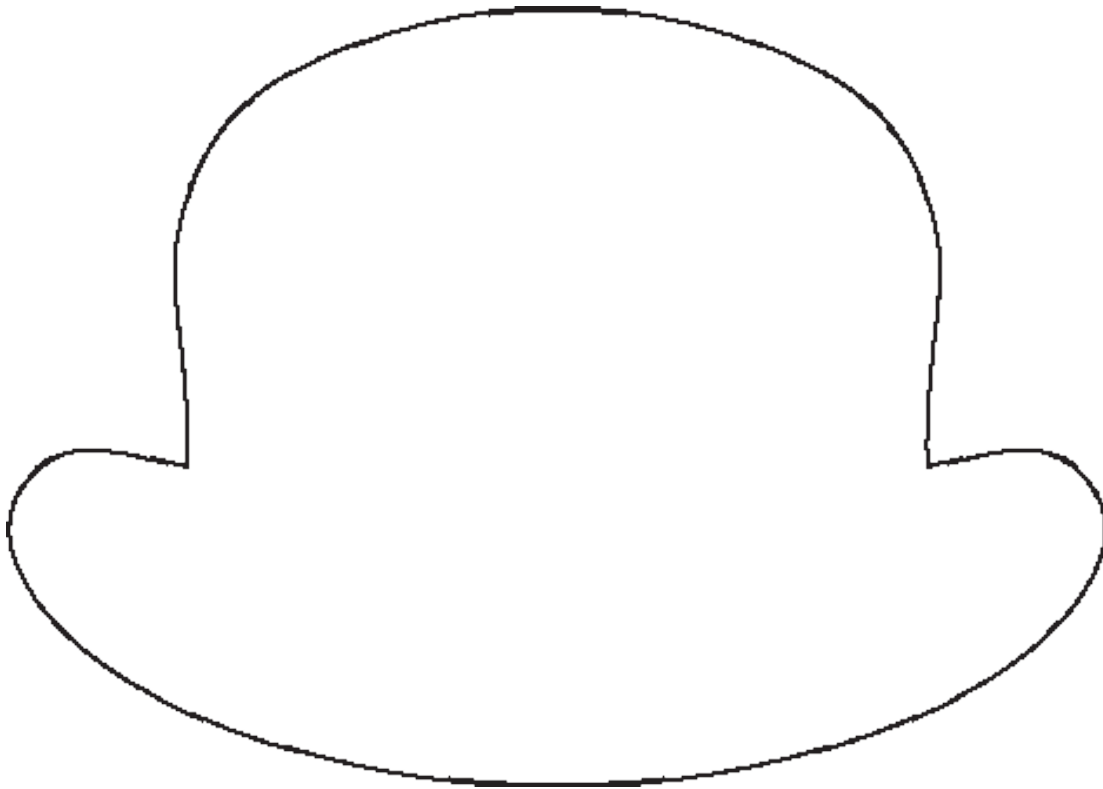

3

 **Challenge: Name 3 services you use in your community!**

Bonus Challenge: Service Hats!

Directions:

Using the template below, create a hat that represents a service like a police officer, a detective, a nurse, or a chef.

Doodle Page!

Directions: Draw something fun that you would see under the sea!

CONGRATULATIONS!

YOU HAVE COMPLETED THE JA MIND CHALLENGE!
